Date. 10th March 1904.

Subject.

Additional allotment required to meet expenditure connected with Govt. Houses till the close of the current official year.

- - - - -

I enclose for your information a statement showing the various grants provided in the Govt. House Budget for the current year and the expenditure incurred against each up to 14th Feb. '04, with further grants required for expenditure during the next four months which I beg that the Secy. to Govt. in the Financial Dept. may be asked to provide at an early date as there are many bills awaiting adjustment.

You will see that it is impossible for me to exercise any control over the entertainments ordered by His Highness, or similarly over the use of Govt. carriages. Against this latter, however, may be set off not only the 6000 odd recovered in cash, but all the saving, owing to the daking of State guests being done by the Transport Corps in lieu of hiring.
